Congratulations to: Millah Shaw - Midget of the day.
Aiden Perkins - Intermediate of the day
And Jaimee Sullivan - Karter of the day.

Have you paid your yearly subs?

\$50.00 per family residing at the same address, these are payable on line, you are asked to put your "name" and the word "subs" as reference please.

For those who remain unpaid, you are now deemed to be non- financial and will be charged the **DAY SUB of \$10.00 plus the entry for the day.**

Day membership - (\$10.00) is just for the day,

Banking details are - South Canterbury Family Kart Club – acc no. **03 0839 0087789-00**

Membership forms - While we encourage you to pay on line, you are still required to complete and return your membership form to Liz, otherwise you are seen to be unfinancial. These can be emailed to you, or I will have a few on sign in table on race day.

Kart Numbers - We are doing a check up on kart no.s and have come across a few double ups, please be patient as I am trying to work through this. If you sell a kart it would be appreciated, if you could remove your numbers as they go with the financial member not with the kart, or if you're not intending on racing anymore, just flick me a txt or email just to advice of the change, and we can allocate that number to someone else. This would be most helpful.

There are some people wanting numbers and as I mentioned I am working on it.

During the lunch break, there is a **HAVE A GO** time for ladies or newbies wanting to have ago.

If you for some reason are on the inner field of the track, ask yourself "have I signed the Indemnity form?" **Everyone on inner field, including starter, person on the Quad, anyone taking photos, including me needs to sign the Indemnity. No young children on the inner field of the race track should be there.**

Safety: everyone is asked to drive **SLOWLY** into pits area, as there are other people around and we do not want any accidents, please remind your young ones of their speed coming off the track.
