And Nic Shaw (Karter of the day)

Have you paid your yearly subs?,

\$50.00 per family residing at the same address, these are payable on line, you are asked to put your "name" and the word "subs" as reference please. The subs were set at the AGM back in May; in order to race you need to be financial.

For those who remain unpaid, you are now deemed to be non- financial and will be charged the **DAY SUB of \$10.00 plus the entry for the day.**

Day membership - (\$10.00) is just for the day,

Banking details are - South Canterbury Family Kart Club – acc no. **03 0839 0087789-00**

Membership forms - While we encourage you to pay on line, you are still required to complete and return your membership form to Liz; otherwise you are seen to be unfinancial. These can be emailed to you, or I will have a few on sign in table on race day.

Kart Numbers - We are doing a check up on kart no.s and have come across a few double ups, please be patient as I am trying to work through this. If you sell a kart it would be appreciated, if you could remove your numbers as they go with the financial member not with the kart, or if you're not intending on racing anymore, just flick me a txt or email just to advice of the change, and we can allocate that number to someone else. This would be most helpful.

If you're waiting on a number for your kart, give me a call.

Our Next club day

PLEASE help us to keep true to our times, if you're going to be late for scrutineering please let a Committee member know.

Entry Fee: \$20.00 is per family residing at the same address, (would be appreciated if you could have the correct money)

Day Subs \$10.00 plus entry fee, (per family residing at same address) if you are a non-financial member

BBQ: Will be at a set time being 12.30 to 1pm, Sausage, onions and sauce wrapped in bread \$2.00, drinks \$1

Please bring your coins along.

Helpers for the BBQ are required and would be much appreciated. This saves a lot of time. During the lunch break, there is a HAVE A GO time for ladies or newbies wanting to have ago.

Everyone having ago is required to sign the Indemnity form, please.

Flag Marshall's – There will be two young Army Cadets along with their supervisor as flag marshal's for our race day, this is a form of fundraising for them, they are solely there to flag marshal and nothing else.

Safety comes first, - Hi Viz vests should be worn by anyone out on the field.

If for some reason you are on the inner field of the track, ask yourself "have I signed the Indemnity form?" **Everyone on inner field, including starter, person on the Quad, anyone taking photos, needs to sign the Indemnity. No young children on the inner field of the race track should be there.**

No running across the race track while racing is in progress.

Safety: everyone is asked to drive SLOWLY into pits area, as there are other people around and we do not want any accidents, please remind your young ones of their speed coming off the track.

Language: As this is a Family Kart Club, we would like to remind you, language is to be kept toned down, please.

Hand Signals – it has been noticed that people are forgetting their hand signals, please remember to hand signal when coming off the track or if you spin or stall on the track. Please remind the young ones hands up high.

If you should hear someone hasn't been receiving their newsletter via email, please do let me know, or tell them to contact me on the above ph numbers or my email address, so we can make sure I have their correct email address. OR check your Junk box.
